**Grade Point Average** - The GPA is computed by dividing grade points by hours attempted. GPA is only computed for credit course work taken at Hinds Community College.

**Repeated Courses** - For courses that have been repeated and are denoted with an "\*", the following conditions apply: (1) only the hours attempted during the second attempt are computed in the GPA, (2) the transcript shows the original and the repeated grade, and (3) only one grade per course may be used to complete degree requirements. For courses that have been repeated, but are not denoted with an "\*", the above conditions apply with the exception that all hours attempted are computed in the GPA.

**Scholastic Restart** - Any former student who has not been enrolled at any time during the preceding two years is eligible to be admitted one time only using the Scholastic Restart provisions. The GPA for Scholastic Restart students is based on work attempted after restart date. Courses before restart are denoted with an "\*\*."

**Scholastic Standing** - A student in good standing will be noted by a scholastic standing of President's List, Deans' List, or Good Standing. Conversely, a student who is not in good standing will be noted by a scholastic standing of Scholastic Probation or Scholastic Suspension.

**Readmission Eligibility** - A student in good standing or scholastic probation is eligible for re-entry unless otherwise noted on transcript. A student who is placed on scholastic suspension is eligible to apply for re-entry after non-matriculation at Hinds for one fall or spring semester. Information on non-scholastic suspensions are not recorded on the transcript, but may be obtained from the Dean of Student's Office with written permission of the student.

**Graduation Honors** - Graduation honors are designated using the following scale:

4.0 GPA	Summa Cum Laude	Highest Honors
3.60 - 3.99	Magna Cum Laude	Special Honors
3.20 - 3.59	Cum Laude	Honors

**Developmental Courses** - Developmental instruction is offered to prepare students for success in traditional college courses. Courses with a "0" in the first or third digit with the following prefixes are considered developmental (pre-college level) courses: EDU, MAT, ENG, REA, RSV, LLS, and SPT. Examples would be REA 0113 or REA 1103. Intermediate Algebra (MAT 1233) is considered to be a developmental course by some institutions.
